- Reminder to review the norms and agreement that the 3-31-15 minutes were representative on the meeting

- broke into 3 groups; rotated through:

- Review Change Model draft
- Review revised evaluation forms
- Share program ideas and decide what we want for showcases

Change Model

- 2 out of 3 groups read/discussed and gave feedback
- Becky will revise and send to Alexis, Stephanie and Lue to read and think about the data section

Revised Evaluation Form

- Overall seemed to meet the needs and address the suggestions from our original reviews
- One question about quantifying some of the scales to make calibration of “overall” rating at the bottom easier

Programs

- Partial data was collected for 7 programs
- Realized we need more time to talk through and discuss
- Decided to continue the process May 12 – Becky will send out a google doc with this info on it and so people can add more
- This has implications for scheduling showcases!!!!
